

TRUSTED. ADAPTABLE. SUSTAINABLE.

# MasterWorks Ultra100 Kraftback Freeze

Built to be in a class of its own as cost effective 100% recycled alternative to virgin paperboard grades. Its increased kraft fiber content creates a dark brown backside shade to deliver enhanced stiffness, while delivering an industry leading high bright coated topside, and further enhanced with additional sizing for water resistance ideal for frozen and refrigerated packaging needs.

**TRUSTED. ADAPTABLE. SUSTAINABLE.**
