

INTRODUCING

# MasterWorks UltraShield™

Ultra Sustainable Oil + Grease Resistant Barrier Protection

A **Sustainable** Barrier Solution for a **Greener** Tomorrow

A direct application of an aqueous coating onto any of our 100% CRB paperboard grades:

- ▶ With no heavy polyethylene
- ▶ Promotes **ULTRA-RENEWABLE** practices
- ▶ Reduces carbon footprint and landfill waste

Exceptionally **ULTRA-RESISTANT** to shield against damaging oil, grease and other substances while delivering superior carton performance for printing, folding, and filling.

**ULTRA-VERSATILE** market segment applications for products requiring direct board contact.

Frozen + Prepared Foods

Homecare + Household Cleaning

Foodservice • QSR • Bakery

- ▶ Food safe
- ▶ Freezer safe + strong
- ▶ UDA + FDA Compliant
